

Finger plays, Rhymes & Songs:

“Five Little Snowmen”

(Hold up correct number of fingers)
Five little snowmen, sitting by the door; out
came the sun and then there were four.
Four little snowmen, sitting by the tree; out
came the sun and then there were three.
Three little snowmen, sitting at the zoo; out
came the sun, and then there were two.
Two little snowmen, sitting just for fun; out
came the sun, and then there was one.
One little snowman, wishing he could run;
out came the sun and then there was none.

On top of my pizza
**(Hold one hand open flat in front of you
as though holding a pizza)**
All covered with cheese
**(Make a sprinkling motion over the
pretend pizza)**
I lost my poor meatball
When somebody sneezed
(Achoo!)

It rolled off the table
(Roll one hand around the other)
Then under a bush
(Slide one hand under the other)
And then my poor meatball
Was nothing but mush!
(Smack one hand onto the other)
