Fingerplays, Rhymes & Songs:

“Five Little Valentines”

Five little valentines from the grocery store.
(Hold up correct number of fingers)
I sent one to mother, now there are four.

Four little valentines, pretty ones to see.
I gave one to brother, now there are three.

Three little valentines, yellow red and blue,
I gave one to sister, now there are two.

Two little valentines, having lots of fun,
I gave one to daddy, now there is one.

One little valentine, the story is almost done.
I gave it to baby, now there is none.

“Toothbrush Cha-cha”

(Tune: “La Cucaracha”)

We brush our teeth up.
(Stand and pretend to brush)
We brush our teeth down.
(Squat and pretend to brush)
We brush’em, brush’em all around.
(Stand again & pretend to brush teeth as you turn
around in a circle)
We don’t want cavities
(Shake head no)
Oh, no, no gum disease.
(Shake finger no-no)
We tell those germs, “Get outta town!”
(Point finger over shoulder)
