

June Newsletter 2016

Summer sizzling fun in the sun has arrived! Our summer themes are... Butterflies, Fun in the Sun, Father's Day, Strawberries, Bubbles, & Little Chefs. If anyone has any ideas to share or items to donate, please fill free to pass them along.

We had much needed rest and relaxation during our vacation this last weekend. We enjoyed our time with family and our time at Great Wolf Lodge. We struggled a little getting out of town. We ended up leaving almost two hours later than we planned and I managed to lock the keys in the van at a gas station. What vacation ever goes perfect?

I will be rescheduling the Ice-Cream Social for after my sister's wedding. We are finding more and more we need to do to get ready. I have much more on my plate being her wedding coordinator and also being a bridesmaid. Say a prayer for me that all goes well! I was thinking our family fun day could be Sunday, July 10th if the weather looks good. I have mask making, pinwheel making and water balloons planned for our event. It is a great chance to relax and get to know some of our other kiddos and families.

Summer water play days have begun? The first Friday in June was our first scheduled water play day. We even got the opportunity to go to a splash park last Friday. We also had a picnic. We will definitely do that again sometime soon! Continue to send a **suit, towel, sunglasses, water shoes/flip flops and sunscreen** each Friday. Another option would be just to leave a towel, swimsuit and water shoes here so you'll never forget one or the other. Please apply the first round of sunscreen at home so we will be ready to hit the outdoors following breakfast. If the weather is a bit chilly we will go out a bit later. If it rains we often still go out once it clears off. Also, they will need a change of clothing if they come dressed in their suit. I will dress the ones in diapers after breakfast myself. Go ahead and apply the sunscreen though.

I regret to inform everyone that June 23rd will be Sara's last day. She has been a wonderful addition to our daycare. We will miss her a lot. Her parents are moving out in the country. We just signed contract with a new client by the name of Noah. He will just be here for the summer. He will be going to kindergarten this fall. Please welcome him and his family. His mother's name is Jennifer.

Please note on your calendars, July 4th & 5th I am closed for a paid holiday. I have five emergency days and 2 vacation days left (after June 24th) for the fiscal year. The new fiscal year starts over June 1, 2017.
